

# Stumbling Over Jesus

An unavoidable truth

# back to 1 Peter

- 1 Peter 2:7 – 8
  - But to those who do not believe...
  - Jesus is the rock that makes men fall
  - Is this unavoidable?
  - Matthew 7:15; Luke 13:23 – 30
  - The question was: are only a few going to be saved?

# Jesus according to John

---

- John 1:1 – 10
- Jesus was life and the light of men
  - But the darkness has not understood
  - The world did not recognize him
- We have seen his glory!

# John 3:16 – 21

- That whoever believes in him...
- but whoever does not believe...
  - (we should always add a *YET*)
- Light has come into the world
  - But men loved darkness instead of light because their deeds were evil.

# practical

- Our goal is still to find the best way to show and tell people about Jesus.
  - It must be about him, not church, or personality, or blessings, or....
- The “god of this age” is not making this easy. That may be a blessing.
