

*2<sup>nd</sup> John*

# Sharing Concerns

# To the chosen lady

Is he writing a lady

Or a church?

Whom I love in the truth

(makes me believe it is a lady)

Truth was big deal!

# Basics:

- 1) I found some of your children walking in the truth—gave him great joy
- 2) No new command, just one from the beginning
  - 1) Love one another

# The antichrist:

There are many deceivers in the world

*Do not acknowledge Jesus Christ as coming in the flesh.*

Two things:

don't accept this teaching

don't accept people who teach this

# Joy

**John found great joy when he found some children walking in the truth.**

**Now he looks for complete joy in finding a way to have fellowship in person with the lady.**
