

*Jesus was a counter culture
revolutionary figure.*

**CULTURAL
RELEVANCY**

Societies new focus on sexual harassment: Good? Bad?

I've been following this lately.

It is not a bad thing so far as it goes

BUT: The world is not coming around to “our way of thinking” on matters of sexuality!!!

Mathew 11:16 – 19

This chapter starts by talking about John the Baptist

“Are you the one who was to come?”

Do you suppose Jesus knew John’s disciples would go back and tell him all that was said?

this generation

Isn't ours similar?

- 1) John came neither eating or drinking:
“he has a demon”
- 2) The Son of Man came eating and drinking: “Here is a glutton and a drunkard, a friend of tax collectors and sinners.”

1 Corinthians 1:18 – 31

Compare the message of the cross to
the Wise Man
the scholar
the philosopher of this age
the wisdom of the world

But we preach Christ.

Practical application

**God makes the wisdom of the world
foolishness**

We preach Christ crucified

Let him who boasts, boast in the Lord!
